It's the passion that makes football so special, it is what drives people to come together to play and enjoy football. FIFA is the brand of the world's biggest sports brand FIFA is the world's biggest sports brand. With over 900 million players around the globe, it is one of the most recognised and loved sports brands across the world. This means FIFA is one of the most important platforms to reach, connect and engage with the world's audience. But where does FIFA come from? FIFA 'The World Game' was developed by EA Canada, the independent game development studio at EA's headquarters in Vancouver, Canada. Since 1995, EA Canada has been dedicated to creating immersive experiences and EA SPORTS has emerged as one of the world's most successful and respected video game development studios. What does it mean to play FIFA? A FIFA game is where the real action starts for you, as you play football like a real player. FIFA challenges you to take command of your club, create plays and adapt your play style to manage your team in high-pressure situations. Whether you choose to manage in the studio or on the field, FIFA delivers a unique authentic experience that is at the heart of the game. The game is made up of four main gameplay modes: The Arena: Football with limitless options for you to play the game like you are in the real stadium. FIFA Street: A battle between urban and street football and your ability to tackle, dribble and pass the way you want. FIFA Ultimate Team: Build your dream squad from over 100 of the world's most famous and popular players and get prepared for the biggest rivalries! The Journey: Play with a friend or challenge a random FIFA pro to play FIFA Ultimate Team bc9d6d6daa
