A fantastical and well-designed combat system with animation that is second to none. ?Unlock the World via Online Play? A series of brilliant discoveries await you in the game. Unlock the world by connecting with others via a unique online play. The Electronic Entertainment Expo(E3) began in Los Angeles, California, United States on June 11. The event is a video game exhibition and gaming convention held yearly in North America. Games developed there are presented to the public. The event is also a forum for video game media and discussion, a place where many video game creators reveal new projects and get media interviews. After E3 2012, developers were allowed to show unreleased game data that were produced for the previous year. Media had access to these data and information. Most consumers already had an early preview of many games. 2014 has been a strong year for the industry because many game releases were as high or even higher than the previous year. In comparison to previous years, 2014 had the fewest game releases in Japan. Despite this, gamers will be able to experience a variety of unique and exciting games. Explore the Lands Between

The Lands Between is a world divided into three separate realms, each ruled over by six Guardians. Each realm has its own capital and level cap. Each realm also hosts an array of Dungeons that you must take through on your journey to power. Each dungeon is separated in level from its counterpart, even if they are both located within the same realm.

Cal: A land ruled by priests. Light magic is used, and enemies wield dark magic. Royal capital. **Dre:** A land ruled by warriors. No magic is used, and enemies are usually magic users. Royal capital. **Sei:** A land ruled by healers. New magic can be used in combat, and enemies are weak against this. Royal capital. **Syr:** A land ruled by thieves. Resistance magic is powerful and foes usually wield light magic. Royal capital. **Kug:** A land ruled by merchants. Characters use various weapons, including bows and crossbows. Resist magic is used against heroes, but resistant weapons are weak. King's capital. **Bri:** A land ruled by warriors. Royal capital. **Lana:** A peaceful land. Royal capital.
