Spider Jar Leave A Comment View All Listings . jj Costarica Costarica, also known as the Republic of Costa Rica, Costa Ricana or The Republic, is a country on Central America's Atlantic coast. A small country, it shares boundaries with Nicaragua, Honduras, and Panama. It is the largest economy in Central America and has the strongest and most diversified economy in the region. Costarica is a leading producer of coffee, bananas, and fish. The growing tourism sector has boosted the economy in recent years. The capital and largest city is San José, which is the country's center of government and business. The city is situated in a valley in a central mountain range. Costa Ricans are both urban and rural. Costarica has a population of approximately 4.5 million people. The largest cities, and the principal cities for food and cultural events, are San José, Alajuela, Limón, Turrialba, Ciudad Colón, Turrialba, Palmar Norte, Quepos, and Guápiles. Costa Rica has an increasing middle class, which has allowed the country to attract international investment in its infrastructure. San José is the capital and largest city of Costa Rica. San José is a large city known for its tree-lined streets, colonial architecture, and large shopping areas and parks. Related Articles: The Pacific Ocean dominates Costa Rica's coastline and the country's largest city, San José. The other two great Pacific coastal cities are Puntarenas and Liberia. The area of the country not bordering the Pacific, which is the country's mountainous interior, is known as Central America. Costa Rica is divided into 10 provinces. The country's political and economic center, the capital, is San José. It is the only Central American country with an economically competitive free-market economy. The economy of Costa Rica is one of the most democratic and sound in the Central America and the Caribbean. The country operates mostly on taxes on consumption, and foreign reserves are from foreign investment, in the form of private companies and entrepreneurs. Costa Rica is among the

top 10 countries with the least amount of corruption. Costa Rica's government has partially implemented a tax reform which aims to achieve fiscal balance. For all intents and purposes, Costa Rica has a debt-free, privately-financed government, with
